## Varsity: State Contenders

The very first basketball team I got something to other girls learn from. Women's basketball was done. WE MADE IT TO STATE, sorry in the season, our goal was to be first in league. However, we ended league as so things with Corban. Although we were underdogs in the game with Corban, we beat them in a grueling 30-31 overtime. On to regional, where we won our bid for state by beating Arroyo 40-44. Some great experiences in Penetration during state gave us a chance to see some excellent teams and learn to play well under pressure. Our second game was a real thriller. Our leader went through the hoop as the buzzer sounded giving us a 38-37 victory over Culver. The final game against Crows turned out as a loss, but we went home knowing we were real winners. *Jack Graham*
